

Support Group for HIV + Young Adults

Our mission is to provide an environment for young adults, ages 17-28, to share their knowledge and experiences of living with HIV. The group offers a safe, confidential and open format in which to share, while respecting the dignity and worth of each individual.

**When? The 1st and 3rd Monday of each month
From 4-5:30pm**

**Where? Kansas City Free Health Clinic
3515 Broadway, KCMO**
