Physical Therapy Clinics

With the start of a new weekly physical therapist, a busy Friday PT clinic has seen evaluations quickly transform into eager follow-ups. Over the last few weeks, patients are returning with increased excitement and decreased symptoms. From necks to ankles, people are moving toward recovery, so keep the clinic in mind for those with orthopedic conditions!

BLOOM

Save the Date for Kansas City's Hottest Party On **Friday, April 8, 2011**, The Bloom Party, the long campaign that is focusing on *Forty, Free* solutions in Kansas City, Free health care to others, and *Forward* with stability, soundness,

Any volunteers who don't plan to *attend* Bloom need Silent Auction monitors and registrars.

benefiting the Kansas City Free Health Clinic. Clinic's largest fund raiser, will continue a year and *Forward*. Forty years of providing healthy those who need it - what sets us apart from and energy for as long as we are needed.

may be interested in *volunteering* for it. We will

To support Aids Service Foundation (ASF) and to thank it for all it does to raise money and awareness for organizations like the Clinic that provide shelter, medical care and emergency services for people in Kansas City affected by HIV/AIDS, the Clinic proudly and enthusiastically takes part in the April 30 AIDS WALK Kansas City. As one of four beneficiaries, the Clinic has been supported tremendously by ASF's fundraising efforts. In 2010, ASF contributed over \$75,000 to the Clinic!

2011 marks the 40th year of the Clinic providing quality health care at no charge to the Kansas City Community. *Forty, Free, and Forward* is the Clinic's theme for this milestone year, with the theme representing our anniversary, our being free, and our intention to move forward to serve Kansas City for as long as it is needed.

The Clinic's team name for AIDS Walk 2011 is "*Free Steps Forward*." This name represents the Clinic keeping up the pace, stepping forward with others to stop HIV/AIDS, and doing it all for free!

"Free Steps Forward"

Kansas City Free Health Clinic
2011 AIDS Walk Team, April 30

Our goal is to have 50 Members on our team and raise \$5,000!
(Last year's team raised \$4390!)

Team members raising \$25 will receive a limited-edition t-shirt and there will be awesome prize opportunities for reaching certain levels: \$100, \$250, \$500, etc., as well as some great raffle opportunities for all team members!
